

Dear Candidate,

With reference to your application for admission to the integrated PhD in Materials Science, you are invited for an online aptitude test to be held on May 21, 2021 at 10 AM. The duration of the test is 25 minutes. Instructions for the test will be available to you after login. Read instructions carefully before moving on to the test.

The URL of the aptitude test portal is:

URL: <http://www.aptitude-test.in/>

Your login credentials are the same as you have used during filling the application form. The portal opens 15 minutes before the test. Check that the internet connection is proper and the device battery is fully charged.
